Mr Porter Collaborates

Mr Porter has launched the exclusive eveningwear capsule collection by Acne and eveningwear by the Italian label Brioni. The range from Acne comprises smart smoking jackets, overcoats, bow ties and tuxedos, which come in both wool and velvet and are made with bespoke jacquard fabrics and silks, resulting in utterly luxurious ensembles. Unlike many other evening attire collections, each piece from Acne can be worn in isolation, to accompany other items or even to smarten up jeans and a T-shirt. Brioni, on the other hand, offers both tailoring and outerwear as well as a selection of stylish accessories. The brand has a very refined Italian style and is one which Hollywood actors including Cary Grant, Clark Gable and Rock Hudson have favoured for the red carpet.
